

QUALITY POLICY

Evolusi Bersatu Sdn Bhd is committed to delivering safe, reliable, and excellent in managing quality across all business operations in the Oil and Gas industry while meeting ISO 9001:2015 and ISO 37001:2025 requirements. We pledge to:

Compliance & Integrity

Uphold ISO standards, laws, and preserve Quality Management System (QMS) and Anti-Bribery Management System (ABMS).

Integrated Management Approach

Treat quality and anti-bribery as essential to all business processes, aligning them with our vision, mission, and organizational goals.

Customer Focus

Deliver safe, cost-effective solutions with transparency, productive work culture and zero tolerance for bribery.

Employee Engagement & Competence

Build capability through training, awareness, and ethical leadership.

Continuous Improvement

Enhance performance through risk-based thinking, corrective action, and innovation.

Promote Safety Culture

Ensuring a safe workplace, protect the environment, and uphold ethical governance in all operations.

We explicitly commit to preventing bribery and ensuring quality in all operations. This policy is communicated to all employees and stakeholders to ensure awareness, understanding, and compliance.
